

THE ROBERTS ORPHEUM THEATER

416 North 9th Street
St. Louis, MO 63101

(314) 588-0388 phone
(314) 588-9828 fax

www.RobertsOrpheum.com

The Roberts Orpheum Theater is a wonderfully restored, historic theater in downtown St. Louis. It's a versatile facility that is used for both private events and live entertainment.

The house capacity of the theater is 1,456:

Orchestra level	502
Mezzanine level	621
Including 24 seats in six private boxes	
Balcony level	333
Including 56 seats in fourteen private boxes	

The theater is situated in the heart of the revitalized Old Post Office Square district. There are many excellent and varied restaurant choices in the vicinity, and more eateries and clubs are continually opening in this vibrant section of the city. Within steps of **America's Center** (the St. Louis convention center) and **The Edward Jones Dome** (home of the St. Louis Rams - NFL), it is also close to two **Metrolink Light Rail stations** (Convention Center and 8th & Pine stations), as well as the **Washington Avenue strip** and **Laclede's Landing** (both areas with a concentration of restaurants, bars, and nightlife), **Busch Stadium** (home of the St. Louis Cardinals – NL / MLB), and **The ScotTrade Center** (home of The St. Louis Blues – NHL and other events). **The President Casino** and **The Casino Queen** are close by and the nearby **Lumière Place** casino complex will open in 2008.

The venue is bordered by two first class hotels: The Orpheum's sister property **The Roberts Mayfair Hotel**, a recently renovated, premiere boutique hotel and **The Renaissance Grand**.

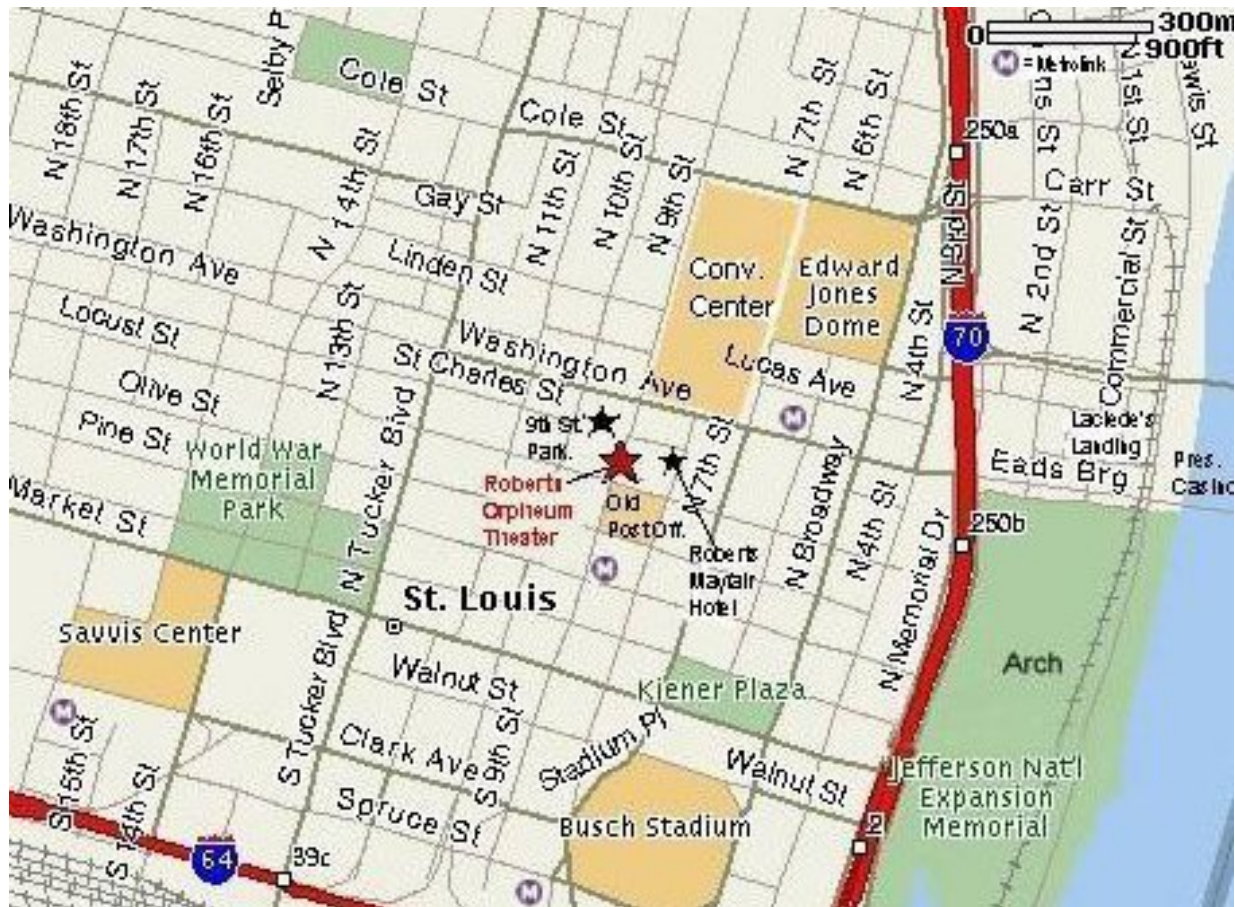

Parking is convenient. For automobiles, the **9th Street Garage** and the **Locust Street Garage** are both directly across the street from the front of the theater. Metered street parking, as well as other surface lots and garage parking options are also within a few blocks. For busses, trucks, and trailers we can assist in arranging secured parking near the theater.

About St. Louis:

- St. Louis is in the central time zone, and observes national daylight savings time changes.
- St. Louis has a light rail system called MetroLink. Currently runs between Lambert Airport and downtown (stops include Forest Park, The Central West End, and The U-City / Delmar loop), continuing into Illinois (referred to as "The East Side"). There is also a short run from Forest Park to the area to the south (stops include Brentwood, Maplewood, ending at Shrewsbury). There are two stops near the theater (The Convention Center stop at Washington Avenue & 6th Street and the 8th & Pine stop).
- The primary airport is Lambert International (about 15 miles from downtown on I-70, and directly served from downtown by Metrolink). There are 2 main charter airports (The Downtown St. Louis Airport just over the Mississippi River in Illinois, and The Spirit of St. Louis Airport in Chesterfield, a western suburb.) A new additional commercial airport, Mid-America Airport, was built about 30 miles east of downtown in Mascoutah, IL, but has not yet started regularly scheduled service.
- The most common local area code is 314. Area code 636 is found in the outlying western suburbs and in St. Charles county (west of St. Louis county). Area code 618 is found in Illinois.

Following is basic information, including a map and driving directions, as well as a listing of convenient hotels, restaurants, and other services.

The Roberts Orpheum Theater: Map and Driving Directions

From I-44 east, I-55 north, or I-64 west (from II)
